

Good Day Sons,

Allow me to introduce myself, I am your Senior Vice Commander, Detachment of Colorado, Nick Arceo. First and foremost, I want to Thank each of you for all the great work being done for The Sons here in Colorado! I would like to share a few items with you concerning membership. You know how important membership is to our organization. Everyone is doing a great job, lets keep it going. Please open and view attachments. Take a close look at your Squadron, are you trending in the right direction? Are you hitting your goal? Our next target date is October 11<sup>th</sup>, 25% to goal. Let's all get those renewals in now! There is a great article from Joe Roberts, membership Committee, please view and share this information. Finally, you will find an Individual Recruitment Award Pin form. Look at the beautiful Pin that you can earn! All you must do is recruit 5 new members into The Sons. What is your Squadron doing that works when it comes to recruiting new members? I would love to hear your ideas! In closing, I would love to visit one of your meetings and share some thoughts and ideas. Anything I can do for you, please just contact me. Remember, you can make a difference, no matter how small, you are making a difference in your communities, in the lives of our Veterans and For God and Country! God Bless you in your efforts with The Sons of The American Legion.
