

During this Christmas Season, let us reflect on the many blessings in our lives.

Take time to celebrate with your family and your friends and as you do so, be sure to include those currently serving in the Armed Services as well as our Veterans in your prayers. May the New Year bring you health, happiness and continued blessings in your life, as we members of the Sons of The American Legion will always be here for our Veterans and their families.

May God watch over all of us, as we travel near or far. Amen.

James A. Noble
National Chaplain
Sons of The American Legion
