

Good day Sons.

Thank you for all your hard work on behalf of The Detachment of Colorado in all areas! You are awesome! 2018 was a banner year for us! We are currently at 3,239 members! WOW!! That number is an all-time high!! What an accomplishment Sons. Now, lets look forward to 2019. Yesterday is gone, tomorrow is yet to happen, today is the day. Currently we are at 743 members, 22.94% We missed our last target date October 11, 25%. Let's concentrate on our next goal, November 15, 35%. We need 391 members to hit that goal. I believe we can do it! Will you join me? I know that some of you have membership that can be turned in, lets get going now. Membership is the key to our success. Remember we are TEAM 100! Our Commander, Mr. Ron, has set a goal of 4,000 Sons of The American Legion membership! That is a big number, a great number I love that number Mr. Ron and one that I see us attaining. That goal will be hit sometime in the future. Will it be this year, next year, the year after? I'm not sure of the date, but one thing I am sure of with your help and dedication, The Detachment of Colorado Sons of The American Legion will be there. You are the best and remember YOU make a difference every time you go out in your communities and talk about this great organization and everything that we do for our Veterans and their families. Let's give our parent organization the best 100<sup>th</sup> gift ever, increased membership, another all-time high!! Please let me know if I can do anything for you or your Squadrons! Do you have an event coming up? I would love to attend and support you in your efforts. One final thought, when signing up new members, the number one reason I believe should be to honor your family member that gives you eligibility into the Sons of The American Legion.

God Bless you and your family and God Bless the United States of America.
