

## Post #103 Family makes up Veterans Gift Bags

Again, this year, the Post #103 Family, made up gift bags for Hospitalized Veterans at The VA. These Veterans are in a locked facility and are not allowed to leave the unit until officially discharged. Having the gifts for them on Christmas morning is a very emotional and appreciated activity. Many thanks to The Detachment of Colorado, Sons of The American Legion and Post 103 family for their generous donations and time putting these gift bags together.
