

I wanted to share with you what we did earlier this week. Operation Homefront is an effort in Colorado Springs to get Toys for Vets families for Christmas. We raised \$800 in SAL and ALR funds along with some private contributors who helped. We went to our local Walmart and got an additional \$50 from them and then went shopping! We got a total of \$1032.11 in toys (those of us shopping kicked in the last \$150 to cover our over spending on shopping). This was last Saturday. On Tuesday myself, John Basil - Junior Vice Commander, and Eric Wodarski - Adjutant, went and delivered the toys to their headquarters.

They were very happy to receive the contributions on behalf of the Post 2008 Sons Of The American Legion.

Just doing our part.

Thanks,

Dave Berry
Post 2008 SAL Commander
