

The Young Guns Junior Shooting Sports Program of Post #2 was started in October of 2004. It has since grown into a model program for other posts. Each year we have a Christmas and Awards Party to honor those who have participated in the program for that year. The Adjutant of Post #2 states that the program is one of the many good things , but the Young Guns Program is the Best.

Have a Merry Christmas.

What's better than a warm throne and a cool drink?

Ahhh! More cool drinks!

Not everyone gets one of these commemorative mugs from The Young Guns of Post 2. Only a special few who visit us get them. As the Young Guns are minors, they are not allowed to serve BEER, so they put Butterscotch candy on the bottom and Mint candy on top.
