

My fellow Sons, thank you for everything that you do for our Veterans in Colorado. It's wonderful to see and hear how "You are making a Difference" every day. Keep up the good work, its worth your time and efforts. With Christmas & Hanukkah fast approaching, I want to extent a special thought of blessing to you and yours. I pray that you will take time to enjoy this festive time of year with family & friends. Please keep in mind that we live and enjoy our freedoms here in this great country because of our Veterans and the sacrifice they have made. I'm so thankful to be a part of The Sons of The American Legion and give back. With that, I am cancelling our monthly conference call for this month, December. Please enjoy some extra time enjoying the season! Our calls will continue next month, agenda will be sent out. May the Holiday Season fill your home with Joy, your heart with Love, and your life with laughter.

Sincerely,

Commander Nick Arceo
