

Commander's Update March 2021

Good Day Sons,

Thank you all for your thoughts and prayers during my COVID-19 illness. I am happy to report that I have fully recovered at this point with only a few challenges that I am left with to deal with. What a ride that was! I pray that all of you are staying safe and healthy. As we continue down this road, "2021", keep in mind life has a way of throwing you a curve ball occasionally. Although we take a swing and miss, the most important thing is that you stay in the batter's box. Keep this in mind as we move forward.

It is great to hear that our state is doing better as it relates to the virus. As we continue to open, let us get back on track doing what we do best, that is being a presence in our communities, reaching out to one another and making sure that our veterans are being taken care of. March 25th marks the birthday of our parent organization The American Legion. Make sure that you and your Squadrons recognize this day. This would be a good time to study the organization and its history as well as the SAL Preamble.

Last month I had the privilege of presenting the charter to our newest Squadron, #26 in Eaton Co. Legion Commander Tom Pribelsky and Squadron Commander Jason Edmonds were in attendance. We had a great meeting. Congratulations and welcome!

Is your Post open yet? Have you started resuming meetings? I would love to know and visit. Let me know of any activities you have planned in the future and if possible, I will attend. Our next DEC meeting is scheduled for Saturday, April 10, 2PM, Post #209, 3613 Jeannine Dr., Colorado Springs Co. 80917. If all goes as planned, we will also have our CWF Banquet. Please keep in mind that this is dependent on where we are as it relates to COVID restrictions.

I know everyone is anxious to get back to work, I look forward to locking arms with you as we move forward. Please let me know what I can do to assist you and your squadrons as we get going!

Stay well & healthy.

God Bless
